Articles of incorporation, including records for businesses, organizations and churches incorporated in Los Angeles County. This second series, covering the 1920s and 1930s, will fill in the gaps of the first series collection of bulk dates ranging 1854-1938.

Scope and Content

Articles of incorporation include records for businesses, organizations and churches incorporated in Los Angeles County. Businesses include oil, investment and construction companies; automobile and motion picture enterprises. Social organizations, to name a few, include Culver City Woman's Club; Downey Athletic Club; South Gate Social Club; Maywood Methodist Episcopal Church; The Midnight Mission; Buffalo Club of Long Beach, California; and Greek Political Club of America. Records may include dissolutions and name changes. Street addresses are not provided in the records. Incorporators' names are listed; many, but not all documents have original signatures.

This second series, covering the 1920s and 1930s, will fill in the gaps of the first series collection: General Collection 1145 (Los Angeles Incorporation Records (First Series), containing records from 1854 to 1922; 1930 to 1933; and 1935 to 1938.
