

For Teachers By Teachers Application

For Teachers By Teachers

For Teachers By Teachers is a collaborative effort with Museum and classroom educators to create activities and lesson plans that integrate with a visit to the Natural History Museum. Completed pieces are shared on-line with thousands of teachers who visit the Museum each year. To submit an application, follow the directions below and we'll get in touch with you the next time we need people to join the team!

Application

On a separate document please send us:

1. Your name, e-mail and phone number.
2. An outline of availability— can you participate any time of the year? Only on weekends or after school?
3. A brief statement of qualification; include teaching and curriculum development experience, grades taught, any collaborative planning and/or team teaching experience, and any experience you have had with the Museum.
4. A short explanation about why you would like to work with the For Teachers By Teachers program.
5. Submit a sample PreK–12 lesson plan, grade level and subject of your choice.
