

ADVENTURES IN NATURE

SUMMER DAY CAMP 2019

Mission Statement and Conduct Policy

Please review with your child and bring on the first day of class

Our mission is to provide your child with the opportunity to explore fascinating topics through active encounters that spark his/her natural curiosity. We believe having an enjoyable learning experience ranks just as highly as the information that is learned.

To ensure that everyone participating in our program has a fun and safe experience, we expect all participants to be respectful of the rights and property of others, so we have set the following conduct policy:

1. Our instructors and staff will go over the Adventures in Nature rules on the first day of class and during the lunch period. They are: **Be Smart** (think before you act, pick-up after yourself), **Be Safe** (Stay with the group) and **Be Nice** (use kind words, keep hands to self, etc.)
2. If our staff observes a participant engaging in inappropriate behavior, we will coach him/her about the situation. Examples of inappropriate behavior include, but are not limited to fighting (verbal or physical), stealing, property damage, harassment or name-calling, disrupting the class, being disrespectful etc. The instructor or the program coordinator will inform the caregiver about the situation.
3. If the behavior continues after coaching, the participant may receive an in-class time-out and it will be discussed with the caregiver.
4. If the behavior still continues, the participants will meet formally with the program coordinator to discuss his/her behavior and the participant's parent/guardian will be advised.
5. If the behavior continues after formally meeting with the program coordinator, the participant will be excused from the program and the parent/guardian contacted to pick him/her up. If the participant is excused before the program has ended, there will be no refund.

This policy is designed to protect your child's right to a positive and productive learning environment, which you have paid for and have a right to expect. We thank you for your assistance in ensuring everyone at Adventures in Nature has an outstanding experience.

I have read (or been read to) and understand the above policy.

I have read and fully agree with all the registration policies stated here. I waive all claims against the Natural History Museum foundation and its employees or volunteer workers and the County of Los Angeles for injury, accident, illness or death occurring and/or by reason of participation. Participation may include, and is not limited to, activities that may be held outside of the museum but within Exposition Park including the California Science Center, Jesse E. Brewer Jr. Park, the Rose Garden, and field trips in the Greater Los Angeles area. Participation at the La Brea Tar Pits and Museum may include, and is not limited to, activities that may be held outside of the museum including the Los Angeles County Museum of Art and Hancock Park. All Adventures In Nature activities are supervised during all program times by Natural History Museum staff, including class time, the lunch periods and Extended Care. The Natural History Museum may use pictures of my child(ren) in its promotional material. In case of emergency, I authorize any licensed physician, nurse or hospital to render such medical aid as may be deemed necessary and/or desirable to the child(ren) named above.

Directions/Parking Information

- The Natural History Museum is located at **900 Exposition Boulevard**. Due to the construction surrounding Exposition Park, parking for the Adventures in Nature Summer Day Camp will now be at the **Science Center Visitor Parking Structure** located off of Figueroa Street. Please see the map below for details to locate the parking structure and for walking instructions to locate our check in area once you have parked.
- **To facilitate free access to this lot, please place the 15-minute parking slip on your dashboard.** You will find a copy of the 15-minute parking pass at the bottom of this document.

Cars left in the temporary parking spaces for more than 15 minutes are subject to towing. If you are planning to stay at the museum for longer than 15 minutes, you will need to pay \$12 to park in the lot.

15 MINUTE PARKING PASS

June 17– July 26, 2019
