SOCIAL STORIES

I am going to see a Dinosaur Encounters show at the Natural History Museum.

I will go to the **North American Mammal Hall** on Level 2 of the Museum. To get there I will either take the stairs or the elevator.

The show will take place in the North American Mammal Hall on Level 2. This hall can be dark and noisy. When I enter the North American Mammal Hall I will see glass windows on my right and left. I will see a stage. I will see areas with pillows, benches, and chairs.

I will be **sitting** in the audience.

The audience is all of the people who are watching the show. I will be **sitting** next to my caregivers and other people I do not know. I will be **sitting** facing the stage where the actor and puppets are performing.

The **Museum Staff** is a friendly helper who will be at the door of the North American Mammal Hall.

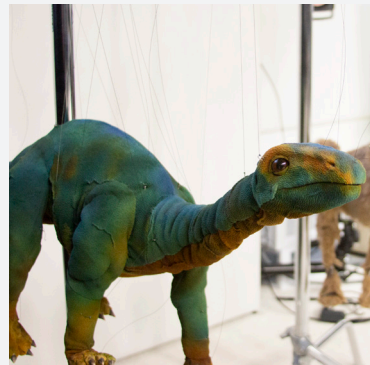

I can ask the **Museum Staff** for help.

The **Museum Staff** can help me find a place to sit.

Inside the North American Mammal Hall I will see a big *Triceratops* **dinosaur puppet**.
I will also see a small *Sauropodomorph* **dinosaur puppet**.

Rachel

Eli

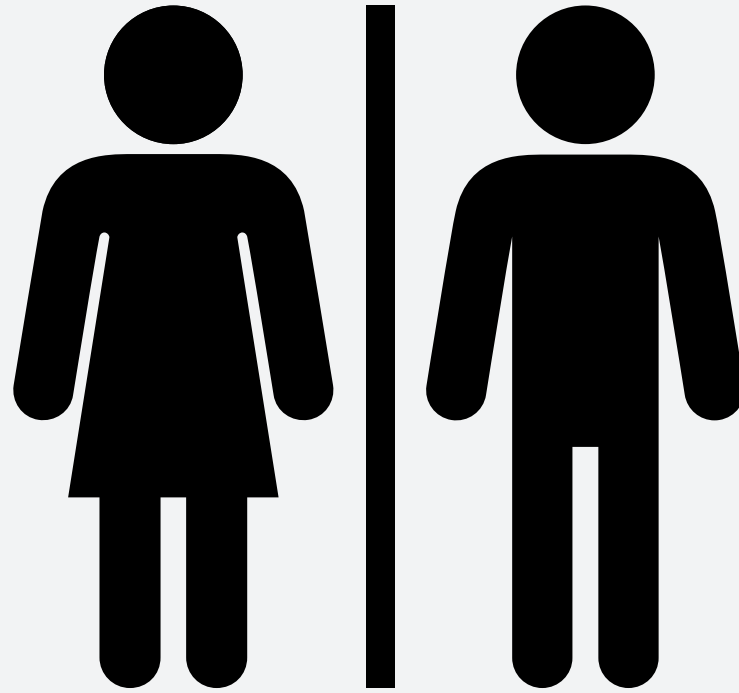

There are puppeteers who will be making the puppets move.

Rachael is the **puppeteer** for the *Triceratops* dinosaur puppet. Eli is the **puppeteer** for the *Sauropodomorph* dinosaur puppet.

Inside the North American Mammal Hall
I will see an **actor**. The **actor** is the person
who will be performing in the show.

The **actor's** name is Jon.

I will let my caregiver know if I have to go to the **bathroom**. I can go to the **bathroom** any time I need. I will flush the toilet when I am done using it. The sound of the flushing toilet can be loud.
