

First Date Tour

Nervous about your first date? We got you. Follow this tour and fall in love with NHM.

3D Movie *Level 1*

Cuddle up during one of our 3D movies. Take a deep dive with *Oceans 3D: Our Blue Planet* or explore the ancient world of *Titanosaurs*. No matter what movie you pick, you can take your date to the next dimension.

African Mammal Hall *Level 1*

The low-light, wood-paneled African Mammal Hall are great spots for quiet conversations. Stop lion around and ask him out for another date already!

Gem Vault *Level 1*

A first date might be too early to pick out a ring, but not too early to find something shiny. Find the heart quartz stone or find your birthstones! Think of it as a very shiny ice breaker.

Natural History of Horror *Level 1*

First dates can be scary, but this exhibition isn't! Come see how classic horror monsters fell in love.

Ceratops Mating Frills *Level 1, Dinosaur Hall*

Get your first date thrills at the ceratops mating frills. Learn how their large crests and frills, just like a colorful tail feathers of a peacock, these elaborate ornaments may have helped them attract mates.

Nature Gardens *Level G, outside*

Take a romantic walk through the Nature Gardens. Stroll along the path, sit by the pond, and experience an urban wildlife wonderland. out for another date already!
