

SENSORY GARDEN EXPERIENCE

Use your senses to explore the plants in your backyard or neighborhood.
Explore the garden through its colors, scents, sounds and textures!

Find a scented plant,
like rosemary.

Find a good-smelling
flower, like a rose.

Find leaves that are soft
or fuzzy, like a sycamore.

Ouch! Find a plant that is
sharp, like a prickly pear.

Find a tasty fruit,
like an orange.

Find a peeling tree trunk,
like a manzanita.

Find a leaf that isn't green, like
the Phormium "Guardsman."

Find flowers with beautiful
colors, like the jacaranda.

Listen for a bird singing,
like a mockingbird.
